The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 5, 6 and 13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 5 and 6 are rendered indefinite and vague by the phrase "food composition" which fails to show what is a food composition. Applicant does not disclose the make-up or contents of the said food composition.

Claim 13 is rendered indefinite and vague by the phrase "a starch-containing food". The applicant does not show what is the starch containing food that is combined with the food additive of the instant invention.

Claims 5, 6 and 13 are not allowed.
